

HRP Walks (Hillsborough Castle grounds)

There are certain restrictions as part of the Community Access Scheme, therefore we would ask that you phone or text the appropriate leader and “book” a couple of days in advance. If the weather is very bad we may just meet for a coffee. We plan to have walks in the grounds of the castle followed by a cuppa in the café.

Unless otherwise advised, **meet at 11am** at the top of the main HRP car park, off the A1 dual carriageway.

Wednesday or Thursday walks-phone or text

Heather Magowan on 07818 036 368.

Saturday walks – phone or text

Sharon McKnight on 07962 119 198.

On some occasions we may join with members of another Community Association.

Gardening Club & Craic in the garden

Meets 2.30pm. Covid permitting we will provide both tea and biscuits this year.

Bookings for other activities

Colourful plants/flowers

In preparation for the Platinum Jubilee celebrations we would encourage any of our “green-fingered” members to sow some seeds or bring on some colourful plants so that we have adequate colourful tubs for the Jubilee, ie plenty of bloom from late May to mid-June. We hope to get some plants from Lisburn and Castlereagh City Council as in previous years.
